

Calculating carat weights of mounted gemstones is an approximation, therefore we consider the information you may be able to provide to correlate with our results. This is not a guarantee that the information you provide will be included on the certificate. Please photocopy this form and include it with your shipments. If your company should have a substitute for this form, please fax it to (213) 689-1778 prior to shipment. GLA would appreciate a 24 hour notice before shipment on packages of 25 pieces or more.
